Subject: Argyle at 101 overpass

To: "cd4.issues@lacity.org" <cd4.issues@lacity.org>

Hi! I am a homeowner in the Hollywood Dell area and as many others in the area, we pay our property taxes like every other resident in LA and expect the homelessness issue to be addressed promptly and thoroughly. There is the start of a tent city underneath the 101 overpass on Argyle Avenue. This is completely unacceptable and must be removed immediately as well as monitored so it does not begin again there or anywhere in that area. This seems to occur often the past few years and it has to stop. As parents of younger children I can no longer walk the streets of my once quaint neighborhood. Please help us immediately.

Concerned,

Jeanine Calcagno
